

**Building Rep Name:** \_\_\_\_\_

**Site:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Note:** It is not our intent to share individual results, but to share the range of expectations that exist on these topics as well as the implementation of other items. PLEASE send your responses (preferably as an electronic attachment) to Nina LaPine @ MZ. Thanks!

### **September Building Rep Survey**

**1. Please share your uncompensated sub coverage plan (after you run out of days to pay for substitutes).**

**2. Please share how this substitute coverage plan was developed.**

**OVER**

**3. Please share the data days that your site agreed upon.**

4. Please share the process used for determining your site's data days.

5. My site has nutritional and caloric information posted for main dish items.  Yes  No

6. My site has nutritional and caloric information posted for side dishes.  Yes  No

7. My site has nutritional and caloric information posted for ala carte items.  Yes  No

8. My site has nutritional information and caloric information posted for ala carte items.  Yes  No

For October's meeting, please bring information related to how your site determined a substitute coverage plan (uncompensated coverage for when funding at your site runs out) and delineated data days (to be used for data entry or analysis at the group or individual level). In addition, please visit your cafeteria and let us know if nutrition information is posted for menu items, ala carte items and the salad bar.
