Note: It is not our intent to share individual results, but to share the range of expectations that exist on these topics as well as the implementation of other items. PLEASE send your responses (preferably as an electronic attachment) to Nina LaPine @ MZ. Thanks!

September Building Rep Survey

- 1. Please share the expectations at your school related to precision partnering.**

Copy of walk through form attached.

- 2. Please share your understanding of the expectation related to field trips, fundraisers and activities that were to be submitted by the September 21st deadline.**

For October's meeting, please bring information related to how your site determined a substitute coverage plan (uncompensated coverage for when funding at your site runs out) and delineated data days (to be used for data entry or analysis at the group or individual level). In addition, please visit your cafeteria and let us know if nutrition information is posted for menu items, ala carte items and the salad bar.
