

We are the WDEA

Because of **YOU**, we are able to create positive change in the lives of our students and employees. Here is a short list of what we have done recently:

- ❖ Represented members and protected their rights in a variety of personnel matters at the local and district matters
- ❖ Provided legal assistance, liability insurance, and representation for on the job problems
- ❖ Played an active role in conflict resolution, both in training and on local teams
- ❖ Attended the AEA Delegate Assembly and the NEA Representative Assembly where resolutions, policies, and legislative agendas are determined
- ❖ Attended AEA's Education Day at the Capitol with the Superintendent and all School Board members
- ❖ Participated in the summer-long March4Schools, along with parents and other public education supporters
- ❖ Held monthly Representative Councils to inform and encourage Site Representatives
- ❖ Met with School Board members and the Superintendent monthly to review and discuss district policy and procedure
- ❖ Provided a welcome-back breakfast for Transportation employees and a lunch for new district employees

For about \$1 a day, you continue to ensure these benefits! Do you know anyone else who would be willing to spend \$1 a day on these things? Ask them to join and make their voices heard!

Instead of asking about what WDEA has done for you, think about what you can do for WDEA. Check off the things you are willing to do and return to your Site Rep.
